

Hardware Maintenance

The convenience and peace of mind of a full technology partner.

Simplify with One Source, from Software to Hardware

QS/1 Hardware Maintenance helps protect your hardware investment against the unexpected. Feel confident knowing you will receive convenient, personalized service for all hardware-related matters, from servers to printers and everything in between.

"QS/1 has helped my business be more successful by providing us the tools that we need to service our customers to the best of our ability."

Scott Garrett, Owner/Pharmacy Manager
Southside Pharmacy & Medical Supply

Stay Up and Running

Through our partnership with Ricoh USA, Inc., QS/1 is proud to provide our customers an end-to-end solution to maintain the successful functioning of their hardware systems.

Peace of Mind

QS/1 Hardware Maintenance helps you safeguard your hardware investments and patient health information, offering you peace of mind if failures occur.

Budget Friendly

Subscribing to QS/1 Hardware Maintenance minimizes costly potential downtime in your pharmacy and helps you recover quickly at a fixed, predictable cost.

Available Nationwide

Nearly 1,000 hardware field technicians are assigned to QS/1 Hardware Maintenance. If your hardware issue cannot be resolved with phone support, you will receive an on-site visit from a Ricoh technician.
